MOREHEAD

Information was received here Tuesday of the death in Waco, Texas, Monday, of Prof. Albert Morehead, aged seventy, for many years a resident of this city, where he was highly esteemed. Prof. Morehead had not been in good health for some time. His death, according to advices received here, was hastened by a stroke of paralysis he sustained several days before.

Prof. Morehead was a son of the late Governor James T. Morehead, and was born in the Executive Mansion at Frankfort during his father's incumbency as the State's Chief Executive. He early in life manifested evidences of musical talent, which his parents had developed through courses of studies at the best institutions in this and other States and under noted masters. During his residence in Paris he became chorister at the Christian church, and was always at the forefront in musical matters, having been conductor of many musical affairs given by different organizations in the city, and as teacher of music for large classes of pupils. After leaving Paris Prof. Morehead located in Lexington, where he resided until about two years ago, when he took a position as head of the Music Department of the Baylor University, at Waco, Texas. Prof. Morehead was a man of warm impulses and amiable disposition, with a large circle of devoted friends here, who will ever cherish his memory.

He is survived by his widow, formerly Miss Bianca Noa, of Chatta-

mooga, and two sons, James T. and Albert Morehead, Jr., who were in Lexington, when they were summoned to the bedside of the stricken husband and father. Mrs. Morehead is herself a distinguished musician and club woman. Her many friends in Paris and Bourbon county extend their sympathy in the loss of her husband.

The funeral was held at Waco, Tuesday afternoon, with services conducted at the grave in the Waco Cemetery by the B. P. O. Elks, of which he had long been an honored member.

PARIS HIGH SCHOOL NOTES

The second semester of the Paris High School will open on Monday, January 30. At this time a new section of the Freshman class will begin. A number of students in the county have already prepared for this class, and the prospects are that a Freshman class of forty will be started next Monday.

Children in the county who have finished the eighth grade and are ready for the county examinations, which will be held in the office of Superintendent of County Schools McVey on January 27 and 28 are urged to take this examination, and enter the High School at this time. Time is the most valuable thing in a child's life, and children are urged to enter the High School now instead of waiting until next September.

Dr. Bachman, of the General Educational Board of New York, who has just finished making a survey of public schools of Kentucky, said in his survey that the average Kentucky school child is two years younger than he should be for his grade. In Bourbon county the number of children in the High School is very much lower than it should be. It is hoped this year to double the number of students attending the High School in Bourbon county, and to have three hundred in the eighth grade in Bourbon county in June. If you have finished the eighth grade you are urged to attend the High School on January 30.

The Paris High School, with a faculty of twelve college and university-trained teachers, with a modern program of courses, and a splendid equipment offers its services to you. The Superintendent and teachers will be glad to welcome you Monday into this school, and to do all they can to direct your educational work in a way that may bring to you the largest amount of pleasure and profit.

TEACHER UNDERGOES SERIOUS OPERATION

Information was received here a few days ago that Mrs. Joseph Endris, formerly of Paris, had undergone a serious surgical operation in a hospital in Charleston, Ill., and that her speedy recovery was assured.

Mrs. Endris, before her marriage, was Miss Josie Alexander, niece of Mrs. W. H. Anderson, of Paris. For several years prior to her marriage she was a valued member of the Paris High School faculty, as instructor in the Department of English. Her parents, Mr and Mrs. Jack Alexander, died when she was quite young, and for nineteen years she made her home with her aunt, in this city.
